

**In the bread, in the wine**

LORD remember him:  
on the cross, long ago  
dying for our sin.

*'Eat' said he, 'drink the cup:  
this, my blood, for you'.  
Blessing sealed evermore,  
covenant made new!*

See the bread, see the wine:  
Christ proclaimed for me!  
His the death, mine the life,  
this your promise free!

*Still, O Lord, do I fear:  
Would I fall away?  
Peter-like, weak am I;  
you I oft betray!*

Oh! The bread and the wine,  
ever is my plea:  
at the cross of your Son  
Lord remember me!

*'Fear not child, trust in God;  
rest your trust in me!  
Waits our house, now prepared,  
there your place shall be!'*

In the bread, in the wine,  
seal your vow to me;  
See the bread, see the wine:  
Lord remember me!  
**Lord remember me!**
