

**O God of our fathers, Creator and Lord!**

Majestic in glory, by heaven adored;  
to first generations your promise revealed,  
your fullness, in Jesus, declared.

*Christ! Christ!*

*Brightness of God from above:  
the Spirit of power, the Father of love,  
revealed to all nations in Christ!*

O God of my own heart, redeemer and king!  
My crucified Saviour, your glories I sing;  
in dying you loved me: your own life laid down  
to save me, forever, from sin.

*Christ! Christ!*

*Perfect atonement divine:  
I died in your death, your life now is mine;  
I live – now I'm living in Christ!*

O God for whose coming in glory we long!  
Your gospel of hope shall be ever our song:  
of rescue from judgement and life without end,  
For all who to Jesus belong.

*Christ! Christ!*

*Bow down before him today!  
Believe in your heart; confessing him, say  
'I worship none other than Christ!'*
